

Aggregate Supply

The Miller Group
Miller Paving Limited

millergroup.ca

For over 30 years The Miller Group has been producing aggregates for the construction industry. The Miller Group operates more than 40 pits and quarries across Ontario.

On site, type "C" certified testing laboratories ensure compliance to all pertinent specifications for aggregate supply.

- Concrete Coarse Aggregate
 - MTO Approved Source
- Hot Mix Asphalt Aggregates
 - MTO Compliant Source
- Manufactured Sand
- Road Gravel
- Surface Treating & Chip Sealing Aggregates
- Gabion Stone

The Miller Group produces high quality aggregates for all specifications for the construction industry. Whether the requirement is for sand or stone, asphalt, concrete, road or parking construction, or for general use, The Miller Group has the resources and expertise to supply aggregates to meet any need.

Aggregates can be picked up or shipped direct from Miller's pits and quarries or smaller quantities can be picked up or delivered from The Miller Group's many yards across Ontario. For pricing and availability of aggregates contact the appropriate location shown on the map on the back of this sheet.
