

Front-End Loading Services

The Miller Group
Miller Waste Systems

millergroup.ca

Miller Waste Systems is a leader in total waste management, providing municipalities and industry with a wide range of services including: waste audits, collection of waste and recycling material from residential, commercial and institutional facilities, and the operation of waste transfer stations, material recovery and compost facilities.

Commercial, industrial & institutional clients can contract general or specific-use containers in sizes appropriate for defined waste and recycling requirements.

Once designated materials have been loaded onto Miller's trucks, they are safely transported to a Ministry-approved processing facility for recycling or disposal.

All-steel containers can be designed to include:

- Plastic lids
- Locks
- Casters
- Labels
- Customized paint colours

Regularly scheduled front-end service from Miller means essential containers are always emptied and always on site.

Using the latest front-end weigh scale technology, Miller can provide its clients with valuable information for environmental audits.

Miller Waste offers the following containers:

- 2 cubic yard
- 3 cubic yard
- 4 cubic yard
- 6 cubic yard
- 8 cubic yard
