

Private Sector Paving & Construction

The Miller Group
Miller Paving Limited

millergroup.ca

The Miller Group has been actively grading, servicing, paving and rehabilitating parking areas for the private sector for several years.

The Miller Group offers a number of products and services that specifically meet the needs of the private sector.

These products and services include asphalt paving, concrete paving, pulverizing of existing pavement, removal of existing pavement, coloured pavements, concrete curbs, sidewalks, retaining walls, site servicing, grading, and the supply of aggregates.

The Miller Group has rehabilitated or constructed new parking lots for General Motors of Canada, UPS Canada, Cadillac Fairview, Durham College, GWL Realty Advisors, RioCan REIT, H&R Developments and York Rapid Transit Plan to name a few.

Whether it be the construction of a green field site or the rehabilitation of an existing parking lot, The Miller Group has the knowledge and experience to provide the right results.

The Miller Group is your commitment to excellence
